No. 114.—*RULES FOR ADMISSION TO THE MADRAS PROVINCIAL CIVIL SERVICE.*

PART I.

*General Rules common to all India.*

The Government of India have ordered that the following resolution (Home Department Resolution Nos. 2945-1913, dated 19th August 1910) should be printed as part of the respective provincial rules:—

The Governor-General in Council has had under consideration the recommendation made by the Royal Commission on Decentralisation at the end of paragraph 118 of their report on the subject of framing rules for the recruitment of provincial services. The majority of the Commission consider it unnecessary that rules for the recruitment of those services should, as is now the case, require the sanction of the Government of India, and they express the opinion that the functions of that Government should be limited to laying down a few general principles as to eligibility for appointment, etc., on which detailed provincial rules would be based.

2. In the present Resolution the Governor-General in Council propose to deal only with the Provincial Civil Service (executive and judicial). The case of other provincial services will be separately considered.

3. The present system under which the previous sanction of the Government of India is required in making or altering the rules for the recruitment of the Provincial Civil Service was introduced in 1892 as the result of the Report of the Public Service Commission. The Governor-General in Council has now decided to accept in substance the recommendation of the Decentralisation Commission and is pleased accordingly to invest local Governments with the power to make rules for the recruitment of the Provincial Civil Service without the previous sanction of the Government of India, but subject to their general control. The general conditions which should govern such recruitment have been already fully considered in connection with the recommendations by the Public Service Commission, and the Governor-General in Council, upon a further consideration of the subject, was so much of mind to modify the resolutions then arrived at. It will, however, be convenient to restate them in the present manner as follows:—

I.—The rules must be adapted so as to lead to obtain thoroughly efficient candidates and, on the other, to secure the due representation in the public service of the different classes of the community.

II.—Every candidate for appointment by government must furnish satisfactory evidence—

- (a) that he is not over 25 years of age, except in the case of Barristers, Advocates or Pleaders appointed to the judicial branch; these exceptions must be governed by article 31 of the Civil Service Regulations;
- (b) that he has attained a prescribed preliminary standard of general education to be fixed by local Governments with reference to local conditions, the object being to secure one qualified by as high a standard of general education as the conditions and requirements of the local administration permit. In particular, qualification in one or more of the vernacular languages of the province in which he is to be employed is to be insisted on. The vernacular standard should be a high one, involving a thorough knowledge of the language and ability to write and read the written character with facility;
- (c) that he is of sound health, good physique, and active habits; and
- (d) that he is of good character.

III.—Every person appointed to the Provincial Civil Service by direct recruitment shall be subject to a period of probation of training during which time his appointment will be probationary only, unless in special cases the Local Government desires such probation or training to be unnecessary.

IV.—The subjects of Native Princes in alliance with His Majesty shall be eligible for appointment, provided they are qualified in other respects.

V.—*Advocates* in the Provincial Civil Service should usually be confined to persons who are natives of the province or have definitely settled in it, in the case of candidates who are not natives of the province recent residence of at least three years in the province should, as a general rule, be an essential condition of admission. No *Registrar, Advocate or Pleader* should be appointed as such, unless he has been at least three years actually practising his profession in India and can speak the provincial vernacular.

VI.—*Magistrates* who are not statutory natives of India shall be eligible for appointment, if qualified according to the above conditions, with the sanction of the Government of India.

VII.—The Local Government should reserve to itself the right to make promotion to the superior grades of the Provincial Civil Service without regard to seniority, and seniority alone should not give a claim to appointment to the grade of Rs. 500 a month and higher grades.

VIII.—The Government of India retains power in very special cases to make direct appointments to offices in the higher grades of the Provincial Civil Service, and whenever the Government of India exercises this power in the case of judicial officers, it will be confined to *Baristers, Advocates, or Pleaders* of the High Courts who have shown distinguished ability in the exercise of their profession for not less than ten years and have a thorough knowledge of the vernacular.

IX.—No member of the Provincial Civil Service shall be dismissed otherwise than on the recommendation of a judicial or formal departmental inquiry.

4. The Governor-General in Council directs that any change made in the rules from time to time should be forthwith communicated to the Government of India in the Home Department in order that they may be in a position to exercise effective general control. His Excellency in Council considers it desirable, moreover, that this resolution should be published by the local Governments and Administrations to part of the respective provincial rules.

### CONTENTS.

Bill No. 8 of 1913.—The Madras Outports Landing and Shipping Fees Amendment Bill, with Statement of Objects and Reasons. . . . . 143

#### Enclosures.

Bill No. 3 of 1913.—Report of the Select Committee on the Madras Agricultural Pests and Diseases Bill, together with the Bill as amended by the Committee.—(His Majesty) and (Empress). . . . . 144

Bill introduced into the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

Under rule 35 of the rules for the conduct of business at meetings of the Council, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

No. 8 of 1913.

*A Bill further to Amend the Madras Outports Landing and Shipping Fees Act, 1885 (III of 1885), as amended by the Madras Decentralisation Act, 1914 (VIII of 1914), and by the Madras Outports Landing and Shipping Fees (Amendment) Act, 1915 (I of 1915).*

WHEREAS it is expedient further to amend the Madras Outports Landing and Shipping Fees Act, 1885; It is hereby enacted as follows:—

1. This Act may be called the Madras Outports Landing and Shipping Fees Act Amendment Act, 1913.

2. In this Act 'section' means a section of the Madras Outports Landing and Shipping Fees Act, 1885.

3. In section 2 the following shall be added:—

"Act No. V of 1863 (the Madras Pier Act, 1863) and Act No. VII of 1871 (the Madras Pier Amendment Act, 1871) shall also be repealed."

4. In the first sentence of section 4, the word 'passengers' shall be inserted before the word 'goods'.

5. In the proviso to section 4, the words 'passengers or' shall be inserted between the words 'of' and 'goods'.

6. In section 6, clause (c), the words 'carts, carriages, animals, baggage and other articles' shall be inserted between the words 'goods' and 'intended'.

7. In section 8, clause (a), the words 'or where alone passengers shall be

landed or shipped in a port' shall be added at the end.

8. In section 6 the following new clause (c) shall be inserted:—

"(c) and generally for carrying out the purposes of this Act."

9. Under part III—'Penalties' the following shall be substituted for section 8:—

"The law for the time being in force for the punishment of offences

relating to the levy on payment of duties of sea-customs, and for the reward of informers, shall, as far as may be, apply to similar offences committed in respect of the said fees.

"In particular and without prejudice to the generality of the provisions of the foregoing paragraph, the penalty prescribed in the third column of article I of section 167 of the Sea Customs Act, 1878, shall be leviable in respect of the contravention of any rule made under this Act."

#### STATEMENT OF OBJECTS AND REASONS.

The Madras Ports Landing and Shipping Fee Act, 1881, does not confer power to levy fees on passengers who make use of ports for purposes of embarking or disembarking. It is therefore considered desirable to amend this Act so that the collection of such fees from passengers at any port where financial position renders it necessary. The existing provision of law in relation to this in the Bombay Landing and Wharfage Fee Act, VII of 1902, has been inserted in the Act. This section has rendered section 9 of the Act unnecessary.

2. Opportunity has been taken to take power for the exemption from landing and shipping fees of any class or classes of passengers and the remission of the fee in special cases, as was done in respect of goods.

3. The rate-making power conferred by clauses (i) and (j) of section 6 of the Act relates only to 'goods'. The word 'goods' as defined and used in the Act cannot include 'cattle, carriages, animals, baggage and other articles' which are expressly and separately mentioned in section 4.

The levy of fees on passengers makes it necessary to frame rules for the appointment of places where such passengers shall be landed or shipped in a port.

Hence the alteration and addition to section 6 (a).

4. The new clause (c) in section 6 will minimise the necessity for frequent amendments of the Act.

5. The Madras Pier Act, V of 1903, and the Madras Pier Amendment Act, VII of 1971, are not considered necessary now as the provisions in these Acts for controlling traffic and for preventing damage can be met by rules issued under section 6 of the Indian Ports Act, XV of 1933, while financial requirements can be met by charges levied under this Act. Hence provision has been made in this Act for repealing the two Acts mentioned above.
